

## Will your journey be affected this weekend?

Keep up with the Tube improvement plan and how it might affect you at [tfl.gov.uk](http://tfl.gov.uk)

### Weekend closures on the Central line

CLOSURES on the Central line for the next two weekends will enable a raft of improvement works to be carried out.

Together with upgrades in the Leytonstone area, a platform at Buckhurst Hill station will also be rebuilt at the same time, removing the need for separate closures.

For the fastest journeys to central London this weekend and next, replacement bus services will connect with National Rail services at Chingford, Ilford, Stratford and Walthamstow Central for onward journeys to Liverpool Street. Replacement and local buses will also connect with the District, Hammersmith & City, Jubilee

and Victoria lines.

Central and Waterloo & City line general manager, Tricia Ashton said: 'The package of work we are carrying out as part of the Tube improvement plan will result in improved service reliability and provide passengers with a more comfortable ride.'

Valid Tube tickets and Oyster cards will also be accepted on National Rail services and local bus routes in the affected areas.

■ For detailed travel advice, including a map of alternative services, pick up a 'Central line closures' leaflet from Tube stations east of Liverpool Street.
