20th April, 1920.

Dear Sir,

Employment of Disabled Ex-service Men.

Referring to the Circular Letter issued by the Railway Executive Committee on 24th September last on the subject of the employment of demobilised men, I shall be glad if you will let me know as early as possible the number of disabled ex-service men who have been taken into your Company's service, and what percentage that number bears to the total number of men employed.

Yours faithfully,

*R. H. M. Under*

Secretary.

The General Manager,

(All Railways).
