## Travelling to or from Paddington?

THERE will be no Great Western Railway, Heathrow Express or Heathrow Connect services to/from Paddington between December 24-29. This is while improvements to the railway are carried out.

**Great Western Railway services:** will start and terminate at Ealing Broadway. As Ealing Broadway isn't step-free, customers with luggage, children or who require assisted travel may find it easier to use alternative rail services from Waterloo, Marylebone or Euston instead. To plan your journey, check [GWR.com/christmas2016](https://gwr.com/christmas2016).

**Heathrow Express and Heathrow Connect services:** will not run during this time. All passengers travelling to or from Heathrow Airport should use the Piccadilly line.
