T.11/E

Date: 24th February 1961

FOREIGN LANGUAGES

As you know, we keep a register of Officers and staff with a knowledge of foreign languages.

It is desirable that these records should be brought up to date, and I should be obliged if you could let me have a list of staff in your department who can write or speak a foreign language. On this occasion we require only those who can read and write fluently.

It would be helpful if names could be set out under language headings and the form in which the information is required is set out below:-

It is desirable that these records should be brought up to date, and I should be obliged if you could let me have a list of staff in your division office who can write or speak a foreign language. On the occasion we require only those who can speak fluently, or those who have sufficient knowledge of a foreign language to translate a letter.

It would be helpful if names could be set out under language headings and the form in which the information is required is set out below:-
