

Take a voyage of discovery on the Emirates Air Line

GET the best out of your visit with a Discovery Experience package with up to 25 per cent discount for Oyster and Travelcard holders.

The package includes a non-stop 20-minute round-trip flight with on-board video tour with commentary by BBC presenter and global adventurer Simon Reeves. Take in fascinating local stories on the area's famous landmarks while you sit back and enjoy breathtaking views of the capital.

You also get free entry into the Emirates Aviation Experience, an interactive exhibition based on modern commercial aviation. Here you can learn about the science of flight as well as what happens to aircraft on the ground. The experience has new and exciting features including the nose cone from an A380 plane and a full-size Rolls Royce Trent 900 jet engine that sits half inside and half outside the building entrance (pictured left), allowing visitors to

discover how it works when it is fired up. You can even get a pilot's eye-view in an interactive cockpit of one of the world's most advanced commercial aircraft. After all that discovering, you can relax in the Emirates Aviation Experience café while reading

your complimentary souvenir in-flight guide.

■ An adult ticket for the Discovery Aviation Experience costs as little as £8.40 with Oyster card discount. To find out more, visit tfl.gov.uk/emiratesairline
