Traffic diversions around Hammersmith Flyover

THE Hammersmith Flyover will be closed to eastbound traffic (towards London) this weekend for essential roadworks. The eastbound carriageway will also be closed for the next three weekends, followed by the westbound carriageway for five weekends.

Drivers who are able to do so are advised to plan their journeys and use the signed diversion route via the A40 Western Avenue, to avoid driving through Hammersmith.

Last weekend drivers using the signed diversion experienced significantly less delays than those using local roads around Hammersmith. At peak times, journeys took only an extra 25 minutes compared to more than an hour for journeys via Hammersmith itself.

There are no planned works on the Bakerloo, Central, Hammersmith & City, Piccadilly, Victoria or Waterloo & City lines, Docklands Light Railway or London Tramlank. However, the following lines will be affected by engineering and improvement works.

Circle line

Part closure

All weekend: No service between Gloucester Road and Edgware Road, via High Street Kensington, owing to track replacement work at Bayswater. Use alternative Tube and/or bus services.
