

## Travelling to Winter Wonderland

**Walking in a Winter Wonderland:** Plan your travel to the festive event 

VISITORS enjoying the festive fun at Hyde Park's Winter Wonderland this Christmas are advised that crowd control measures will be in place at nearby stations.

As these stations will be busier than usual between 10am and 10pm, it may not be possible to travel home the same way you arrived.

People leaving the venue may be diverted away from Hyde Park Corner station in the afternoons or early evenings, and a one-way system will be in operation at times at Marble Arch station.

Alternative stations, including Green Park, Knightsbridge and Victoria, can also be used.
